Dear POC,

TERESA C. VICKREY

I'm so glad we have become such good friends. I remember in the beginning of the year I hardly knew you guys. We've had our good & bad times but mostly all good. Thanks for being such a good friend and trying to bring me out of my shell. You will always be in my mind even when I'm 110 years old (yes, I'm planning to live that long.) One day when we are old and have kids and grandkids we are all ~~have~~ going to get together and look back at H.S. and laugh. I will never forget you as one of my friends. I will always love you all. Hope you and Beck stay together forever.

I can't believe we are all going to be seniors next year! H.S. won't be so fast! Have an awesome summer.

Love ya always,
Big Bird
(Laura)

I are really fortunate to have
you & Bick as friends, its so

support you've given me this
year. I appreciate it all! You took
me out of my shell too. "DCF"

Luv, your
Best Friend

Hey ~~scribble~~! (Sorry, Jeresa!)

What can I say? It has been an interesting year. We've had our ups and downs, fun times and boring times. Thanks for always being there when I needed someone to talk to. I really had a lot of fun when we went to Marri's. I just wish it could have turned out a little better. I hope we can have a really great summer! And, next year, will be the best ever! Will be seniors!! Only one more year and we'll be free!! I hope we'll always be friends. Good luck always with life and with Bick!! Keep in touch this summer and you better call me!! I never hear from you, so you better!! Well, have a super fantastic summer! Love ya lots!!

Reflection:
A reflected image;
mental consideration;
contemplation;
also
a conclusion reached
after much thought

We've come so far,
and yet we've only just begun.
There's a whole new world
we have yet to explore.

We think we know everything
that there is to know,
when in reality,
we know so little.

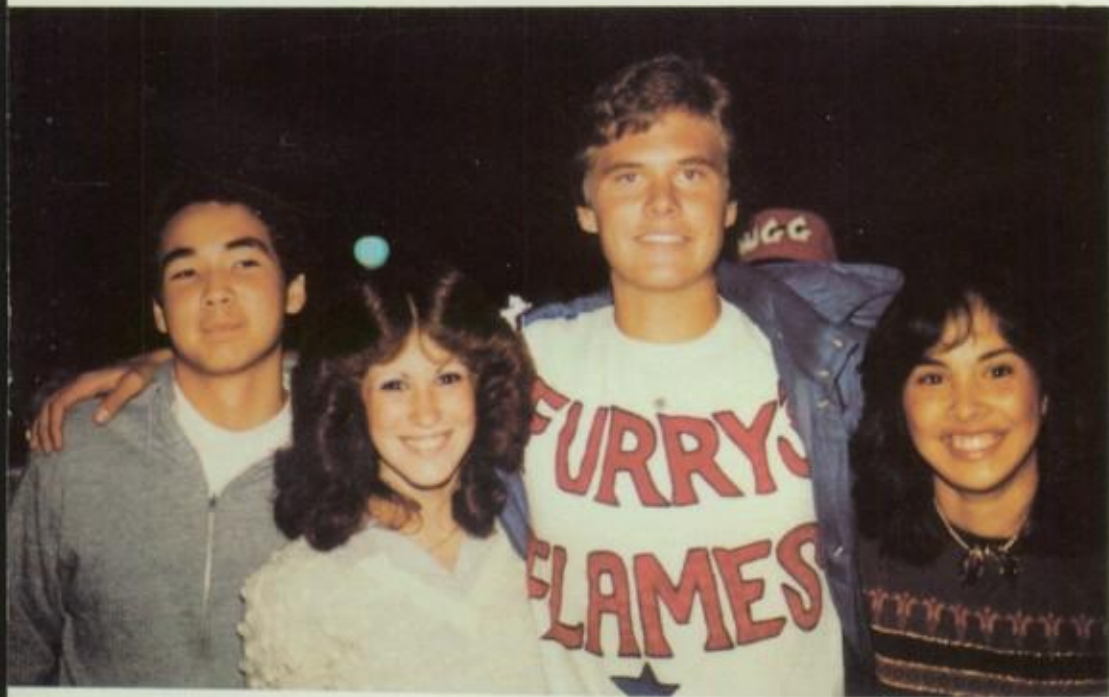

Now is the time
to start thinking
about the future,
because the decisions
we make today
will reflect on
our actions tomorrow.

Teresa,
 It was
 a lot of fun
 in chorus. You
 have a unique personality.
 Hope I see you next year.
 Love,
 Janet Benlien

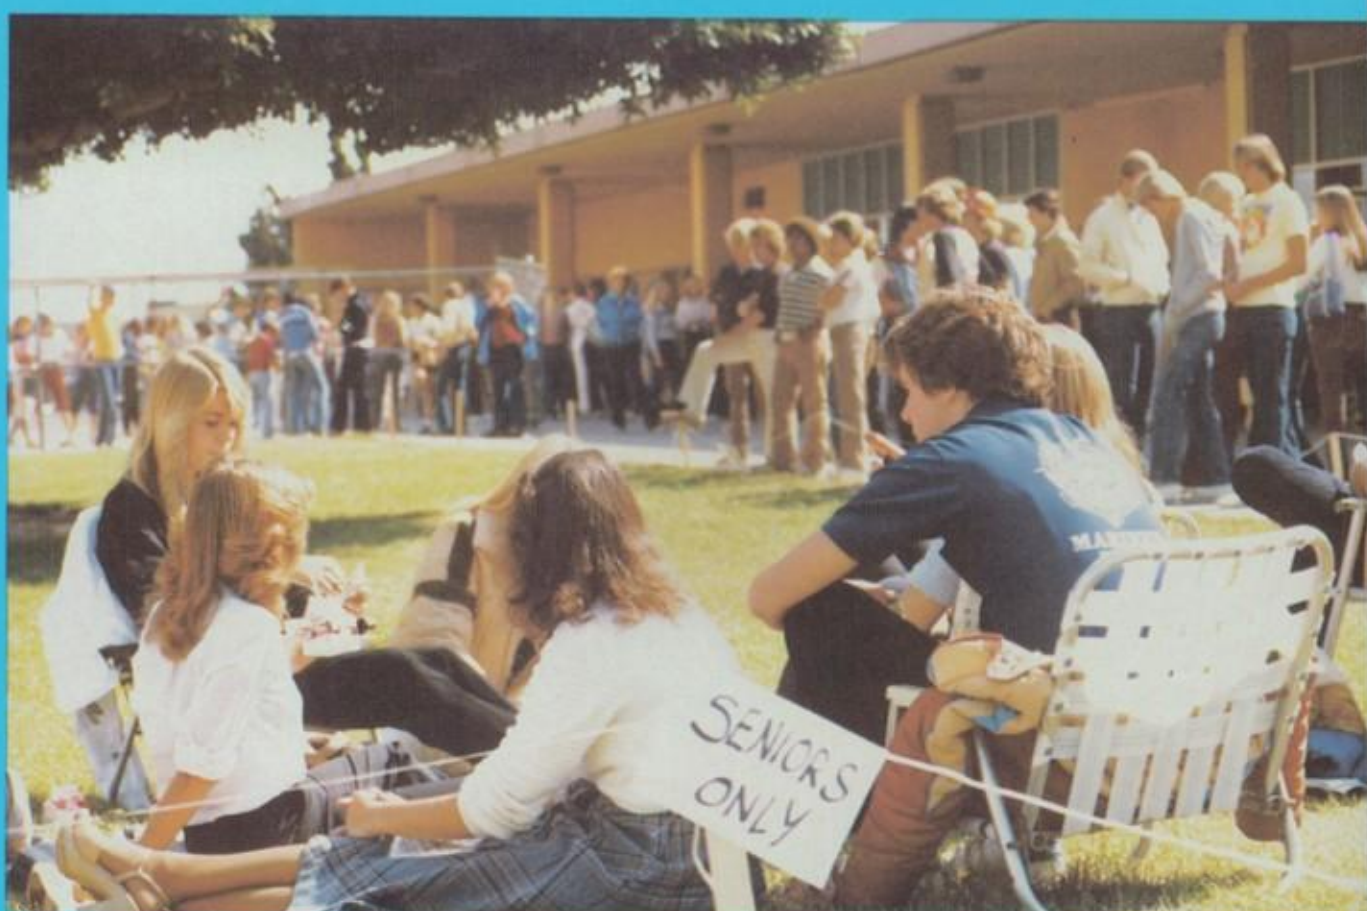

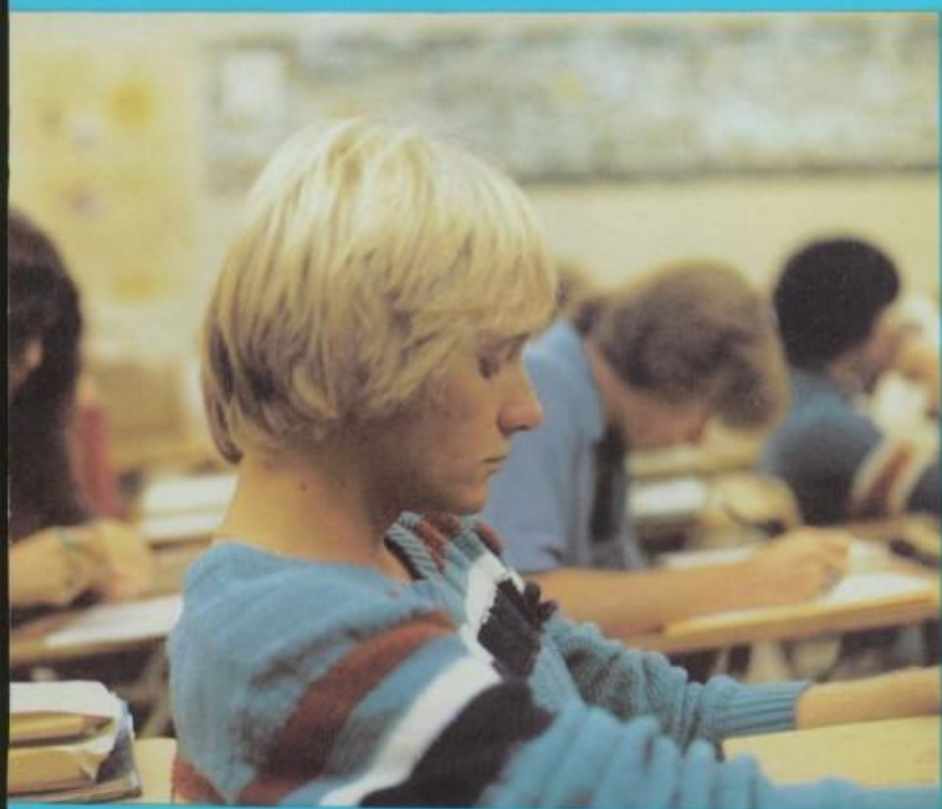

In the years to come,
 We'll look back on high school
 and reminisce on all the
 good times that we had.

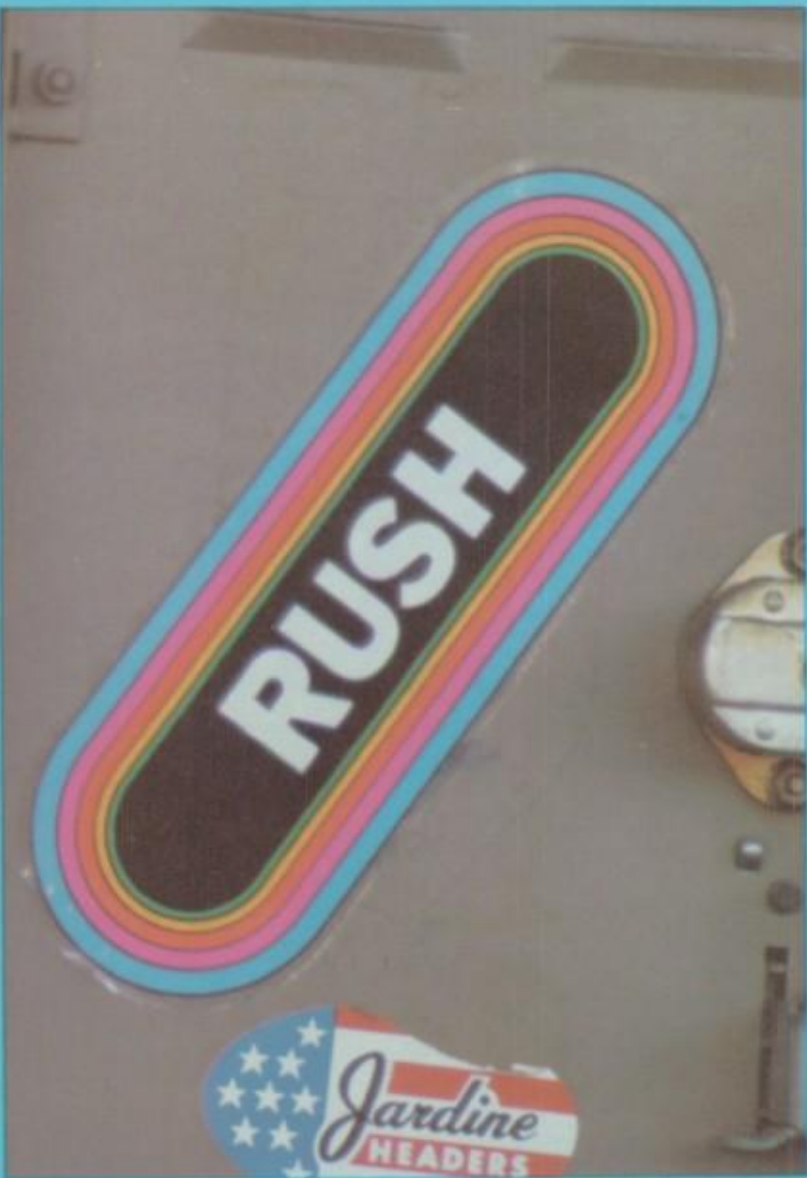

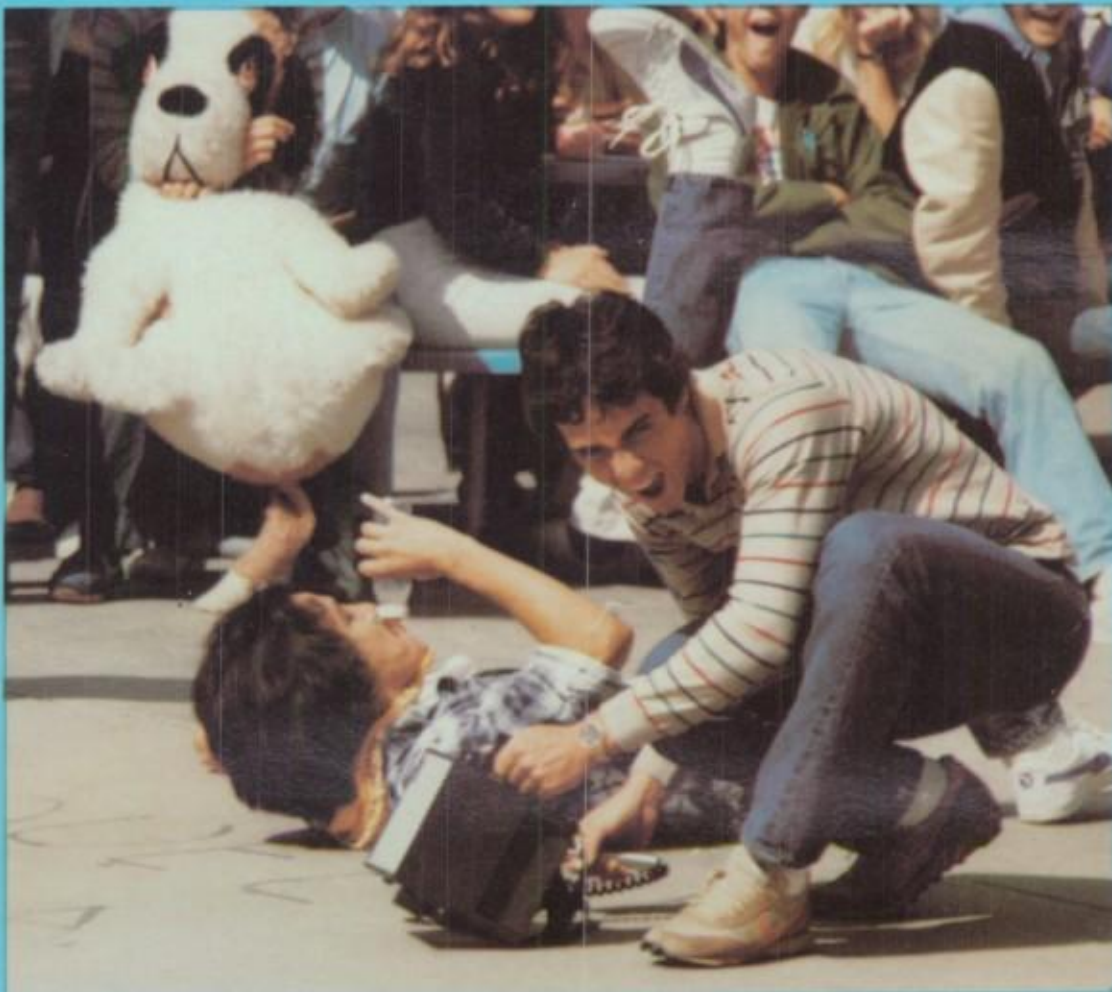

The Proms, homecomings, pep assemblies,
and football games will only be images,
blurry visions of the past.

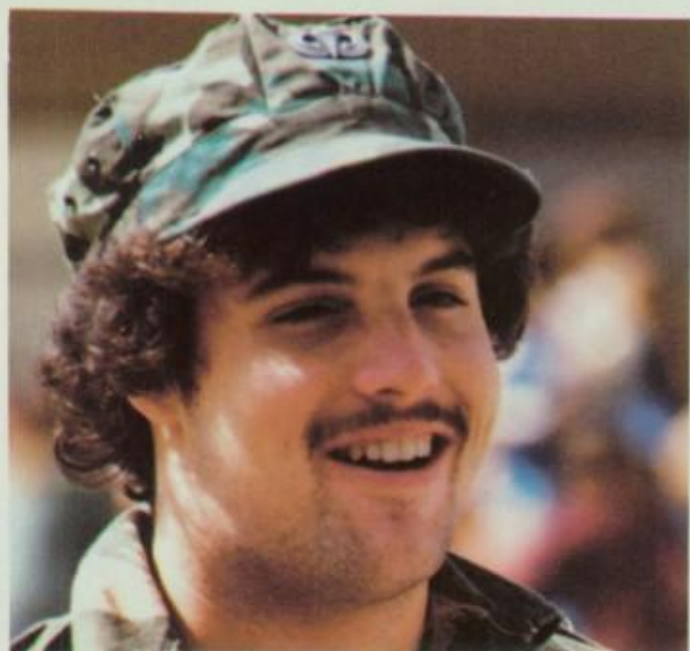

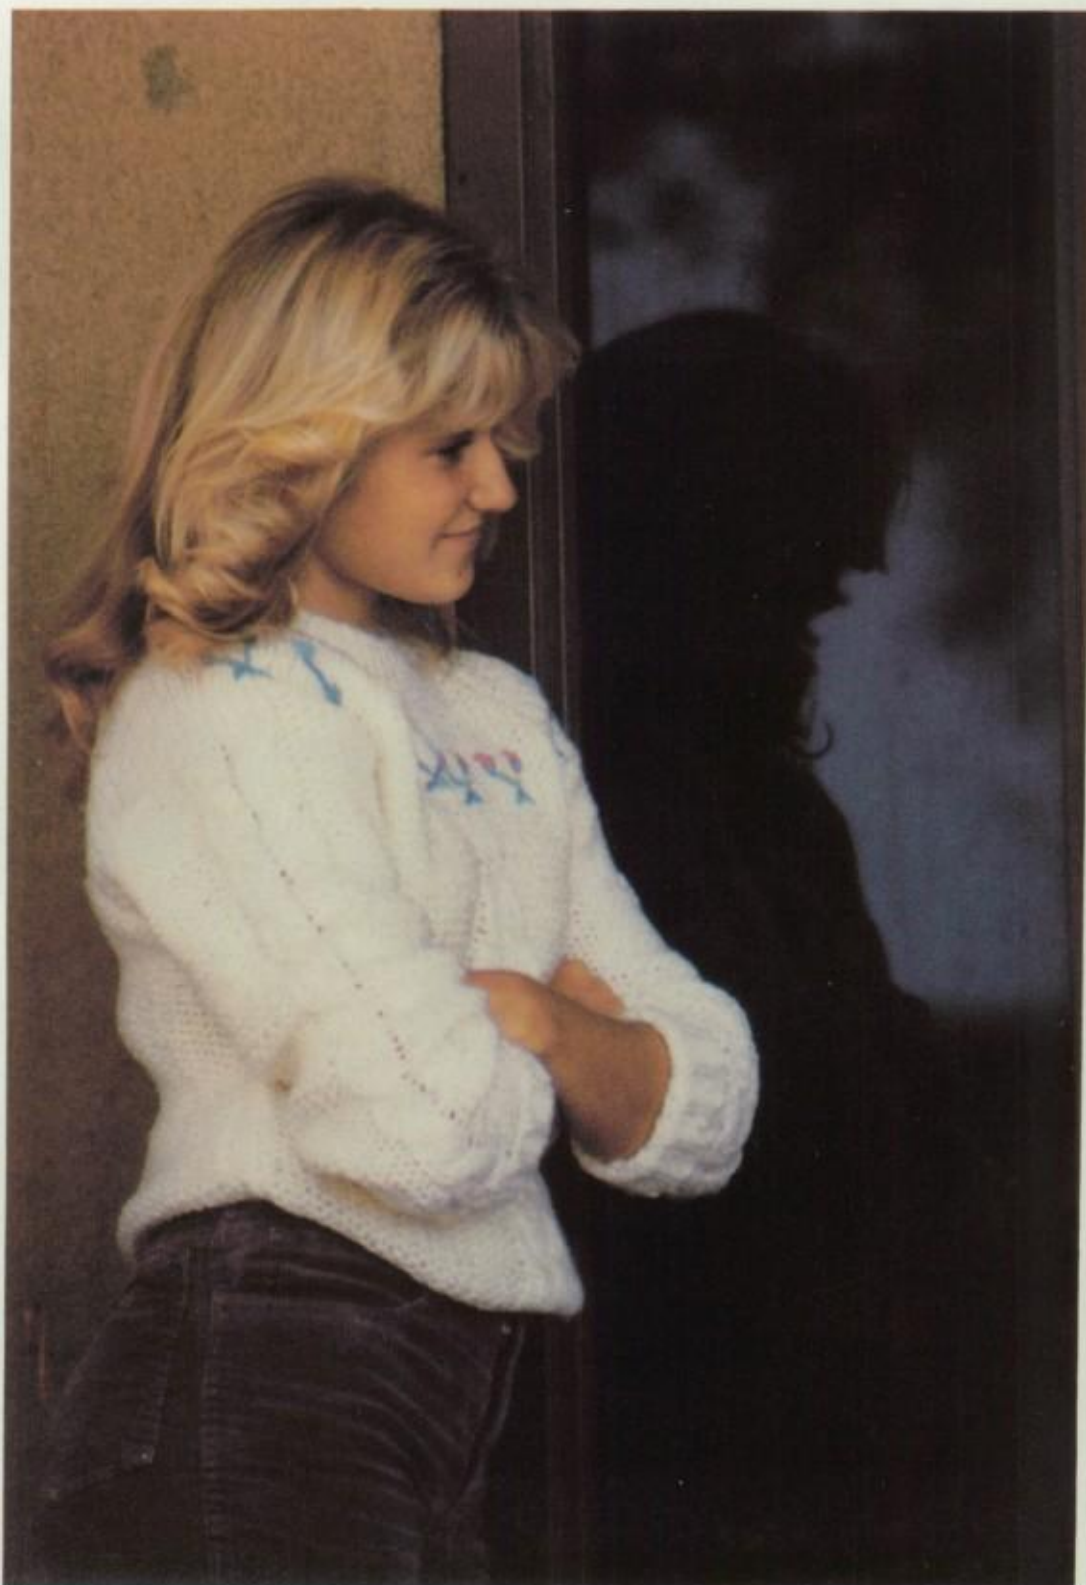

We'll reflect on
our achievements
and we'll try to learn
from our mistakes.

We'll never forget our friends who were always there to listen, to give us advice, and to help us through our most difficult moments.

They shared our joys,
our fears, our dreams,
and they put up with
our craziest of moods.

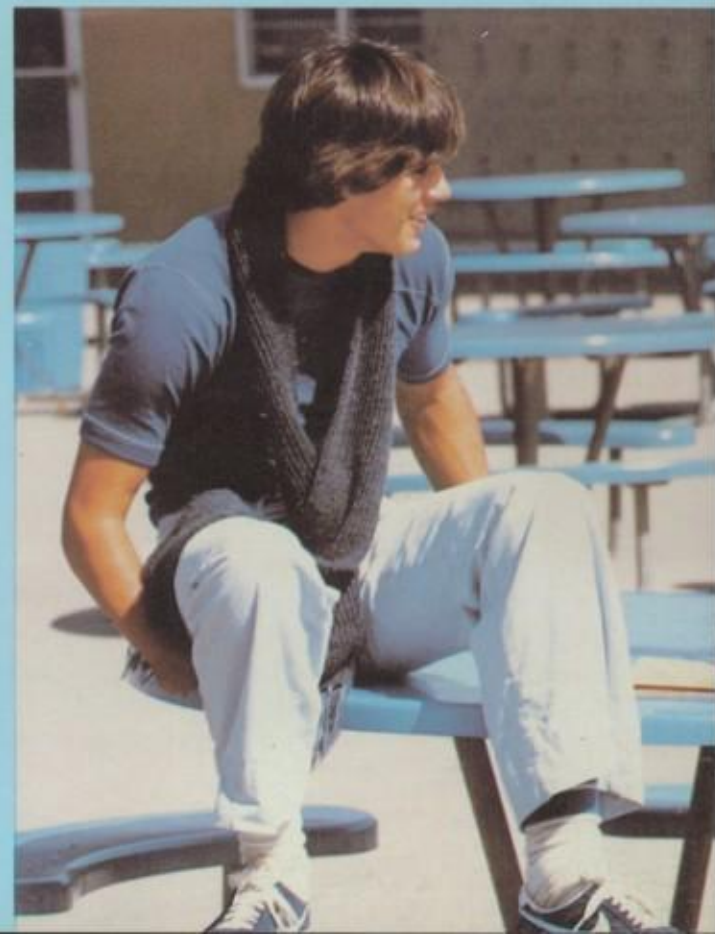

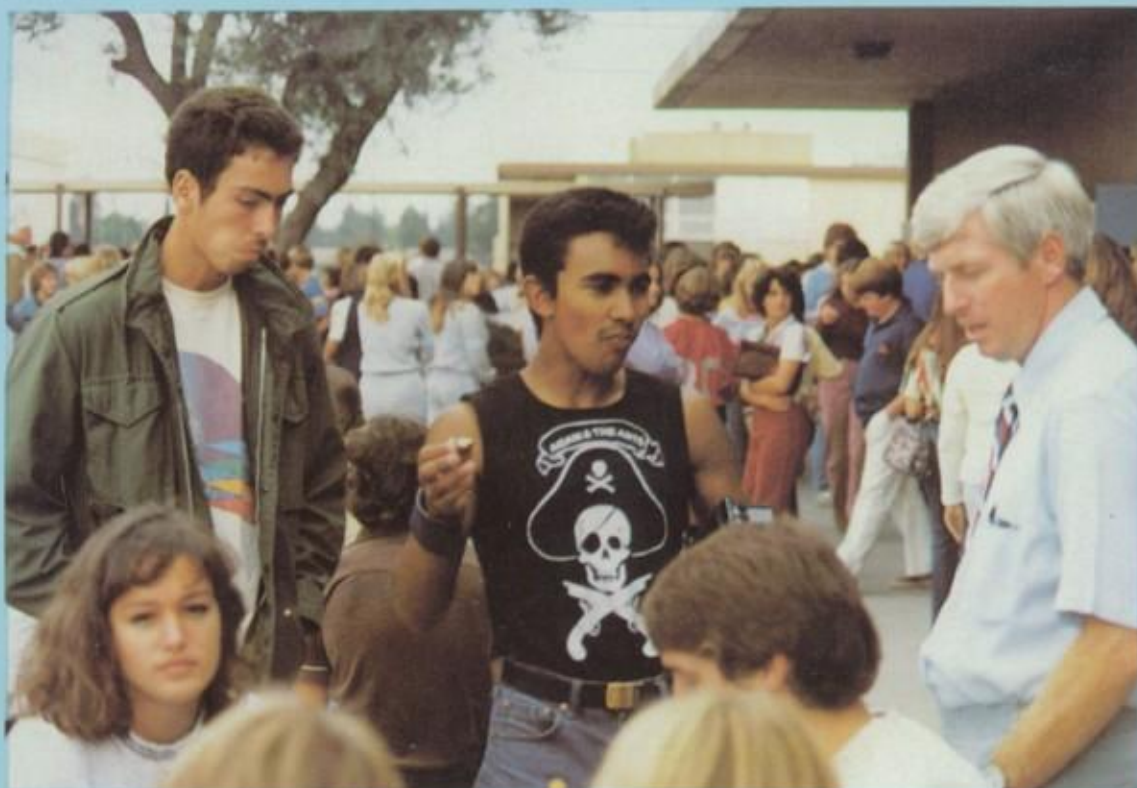

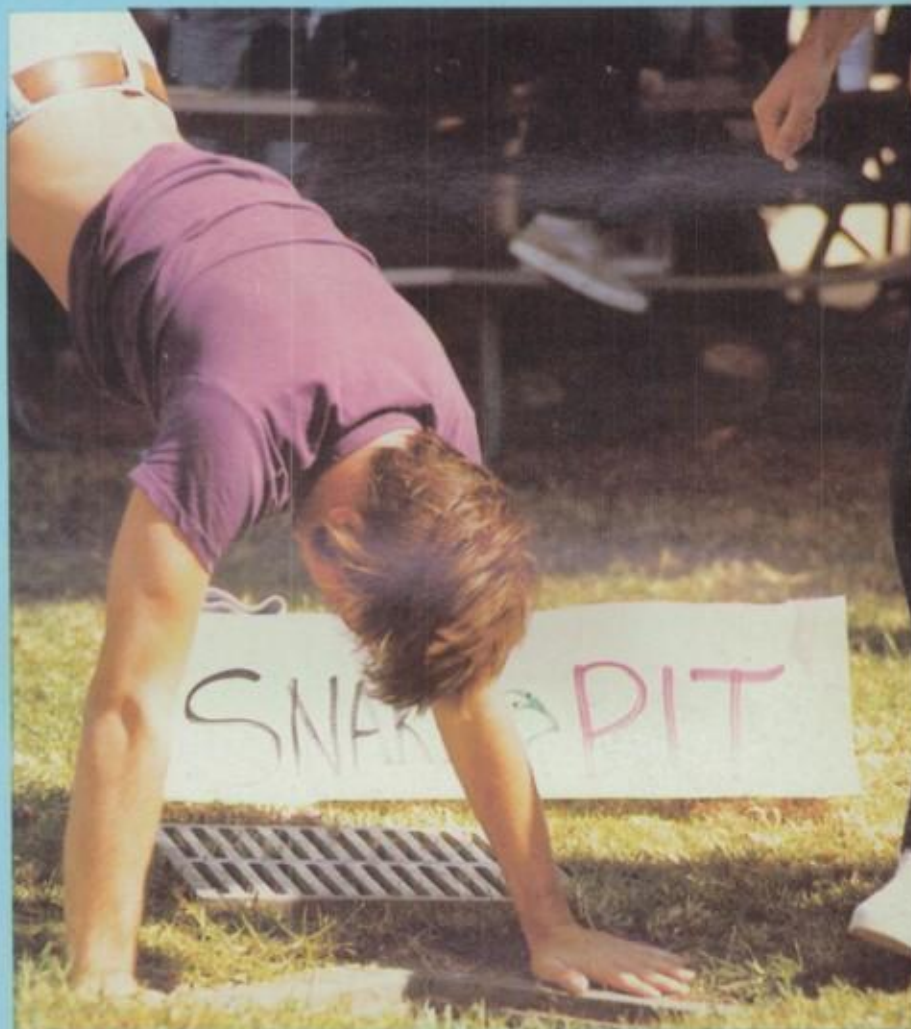

We'll always remember Teresa,
our last three years
and the good times
that we shared. I'm sure glad
that I got to know
you this year. You're a
real sweet girl. You have a neat
boyfriend too! stick with him. We had
a lot of good times I'll never forget. Maybe
next year we will have a class together.
Have an excellent summer. Take care.

Love,
Karlyn
Whitman

Still, we look eagerly
towards tomorrow
and all the things we
have yet to experience.

Faces, friends and special times.
are only reflections,
the mirror images.
in our minds.

This years A.S.B. Cabinet enjoyed a successful and fun year. Their fight against apathy paid off with great response and enthusiasm from the Student Body. The cabinet went through two activity directors but now Mr. Micheal Bryan enjoys that job with the cabinet. Some of the activities A.S.B. conducted were mud-wrestling, Spirit week, and the Homecoming. They began the Class Competition, a set of activities and lunchtime contests to determine the class of the year. They revitalized a floundering "Almost Anything Goes" by including the clubs on campus and had great involvement. Sadie Hawkins also enjoyed its second exciting year at Pacifica. The future for A.S.B. looks bright with the increased involvement from the Student Body.

Oh! What it takes to construct a permanent record of students and events in one school year. To those who think putting together a yearbook is a simple task, well ... "take off, eh". A yearbook involves massive amounts of hard work, time, and on occasion, PANIC! (or at least a nervous breakdown). And, of course it involves people. The most obvious importance to a yearbook is the quality of photographs. Without our most dependable shutterbugs, Eric Smith Pat Towne, Glen Curry and Star Van Scriber, we would have been no where! Eric did a good job of keeping Star in line and served as a free taxi, shuttling back and forth from Roberts Studios. The edi editors, Tommy Jurak and Lezlie Gibbs tried to add class to the staff picture, as well as yearbook. Some say they failed at both! (just kidding!). Business Manager, Ken Matsuda, decided to show off the profits gained by the '81-'82 "Reef". Next to Ken is "Mr. Ambition," Greg Pate, or Zorro, who is in the process of bullying the advisor into letting him be the editor his Senior year. (OH, Greg, you win). Standing next to Greg is (A.G.) Mike Ferrin, also known as MR. VERSATILITY. This picture would not have been possible were it not for Todd Tatham. The picture was actually taken in the evening, and Todd generously volunteered to remove his shirt providing the light necessary to expose the film. Advisor, Mrs. Thompson, dressed as "HOT LIPS" HOULAHAN from the "MASH" TV show. HOT LIPS? Well, she did a fine job of providing the incentive and pressure necessary for meeting deadlines that is, when she wasn't occupied in her obsession with Tom Selleck of TV's "Magnum P.I.". Next to her is Carla Hosman, striking one of her patented poses. Up on the bridge in a fashion model pose is our own Kim Cusimano. Kim's ambition in life is to replace Christie Blakely on the *Sports Illustrated* bathing suit issue. Next to Kim is Gregg Cooper, who wins the award for the coolest most casual pose. On Greg's left is Phil Robinson, affectionately known as "Scooby". Next in line is Phil Kumai, who dressed in a sophisticated manner. Phil is trying to keep his sanity on account of his knowledge and acceptance of the position of edi editor for next year's "Reef". Others in the picture were the ol "dependables, Kathy DeMann, Loretta Kolenda, Glen Curry, Kevin DePree, and Brian Stokes. The winner for the most unique costume goes to Terry Morgan, standing on Carla's left. Terry dressed as the "invisible man."

The year was completed with an exciting performance at the annual spring show.

PETE YOUNGER MEMORIAL AWARD

TODD TATHAM

Due to his outstanding participation and achievements in the areas of grades, leadership, and athletics, Todd Tatham is the worthy recipient of the 1981-82 Pete Younger Memorial Award. Todd's unmatched participation in the ASB and mariner sports teams made him the clear choice for the award. As a senior, Todd was elected ASB President and participated in the maximum number of three sports, (soccer, cross country, and track) while holding down an excellent grade point average. His achievements were not mere participation. Todd was one of the top runners in cross country, and he was also named team captain. In soccer the opposing Empire League coaches showed their respect for Todd when they voted him All Empire League at his goalie position. Todd was also named "Mariner of the Month" for the month of September. He was also voted "Most All Around" and "Most Spirited" by his peers for the Senior Favorites awards. As a member of the yearbook staff, Todd was a dependable photographer, as he was always willing to put forth an extra effort. He was also chosen to represent Pacifica at the Presidential Classroom in Washington D.C.. We at Pacifica merit Todd Tatham for his outstanding participation and efforts to make the year 1981-82 the best ever.

PATSY LAKIN "MARINER OF THE YEAR"

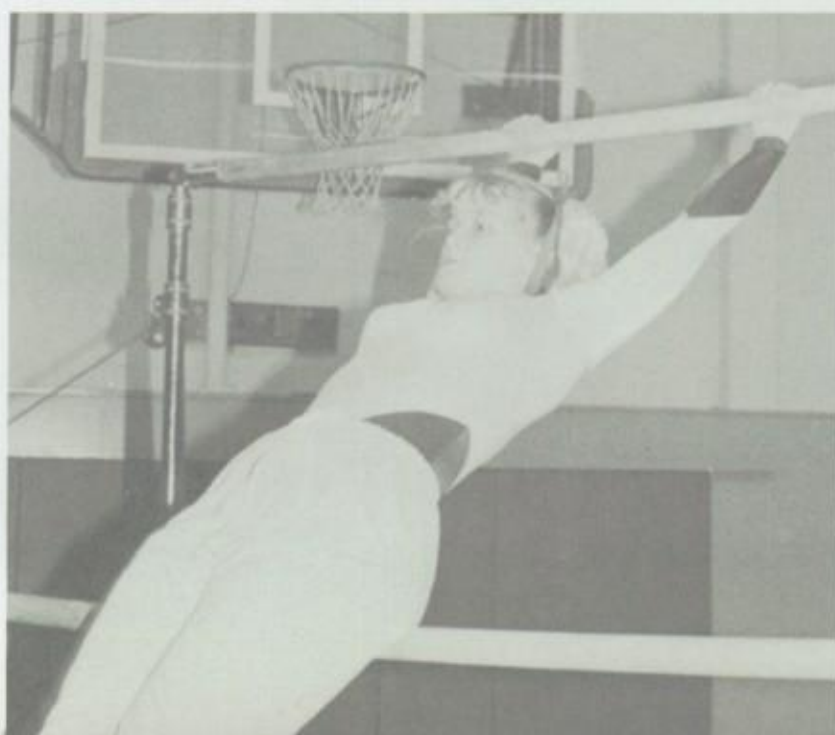

Patsy Lakin has been chosen as Mariner of the Year by the Girls Physical Education Department for her worthy contributions as an athlete and leader.

Patsy has competed in sports since she was a Freshman. As a Freshman she was on the Junior Varsity Badminton and Volleyball teams. During her sophomore year she earned a Varsity letter in Badminton and Gymnastics and again competed on the Junior Varsity Volleyball team. By the time Patsy had finished her Junior year she had received another Varsity letter for Badminton and Volleyball and accumulated over 300 points. These achievements have entitled her to a lifetime pass to all athletic events at Pacific High School.

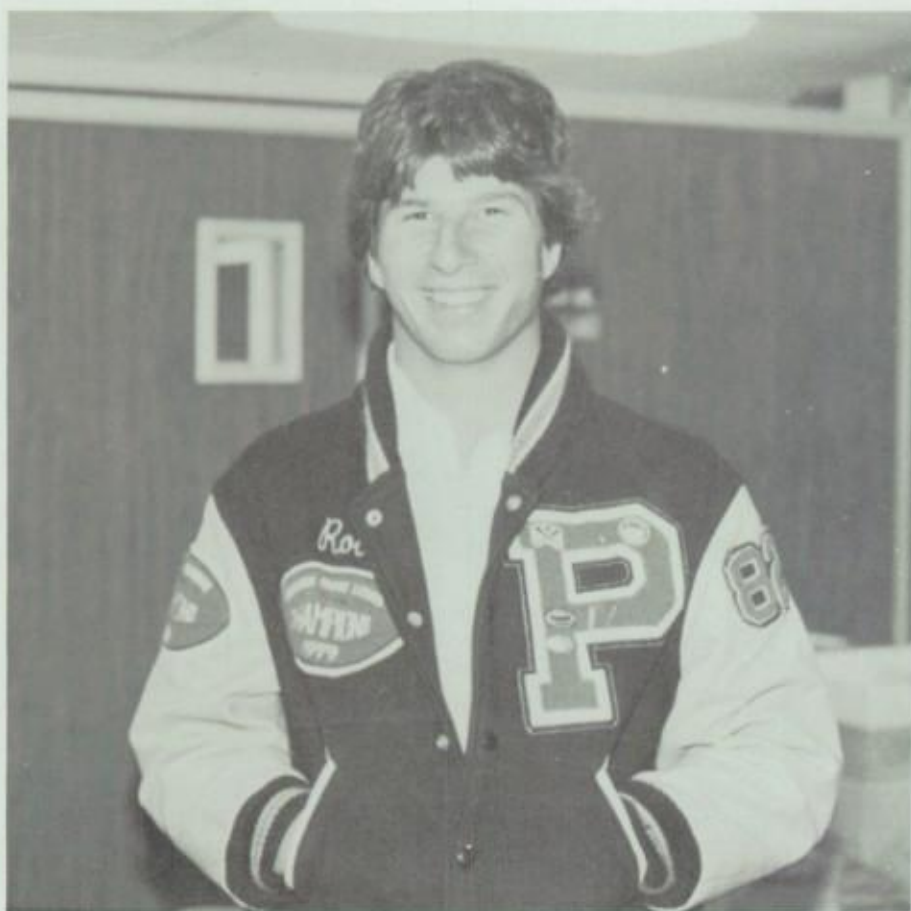

During her Senior year she will have made 3 Varsity teams: Basketball, Volleyball and Badminton. She has also competed on the Junior Varsity Gymnastics team. Patsy will be one of the top athletes to have accumulated over 450 points during her High School career.

Besides her participation in athletics, Patsy has shown great leadership both on and off the athletic fields. She has been a worthy contributor to our girls athletic program and will be missed greatly. Good Luck, Patsy in your future and Thank You for all your help!

Girls Physical Education Dept.

ROB GLISSON "MARINER OF THE YEAR"

Pacifica High School has a very rich tradition in athletics. The quality of athletes has always been high and each year one athlete is chosen from many talented individuals to be honored as Mariner of the Year. This years selection, Rob Glisson, truly represents the scholar-athlete that Pacifica is constantly striving to produce.

Rob has participated in three sports for his four years as a Mariner. That kind of versatility is becoming increasingly rare. In football Rob was selected as Lineman of the Year on his Freshman team. He then started on the Varsity team for the next three years. In his Senior year Rob was named Offensive Player of the Year and was selected 1st team all Empire League and 1st team All-County.

As a Basketball player Rob played at all four levels. His leadership skills and popularity were evidenced by the fact he was elected captain of his Freshman, Sophomore and Junior Varsity teams.

As a Baseball player Rob played on the Frosh/Soph and Junior Varsity teams and last year was selected as Most Improved player on the Varsity team. At this writing Rob is leading this years team in victories as a starting pitcher.

The abilities Rob has shown in athletics have been displayed in the classroom as well. Rob will complete his High School education with a 3.5 grade point average.

Pacifica High School is proud of Rob Glisson and his contribution to the Mariner tradition.

ROBIN HENSON-"MOST WORTHY MARINER"

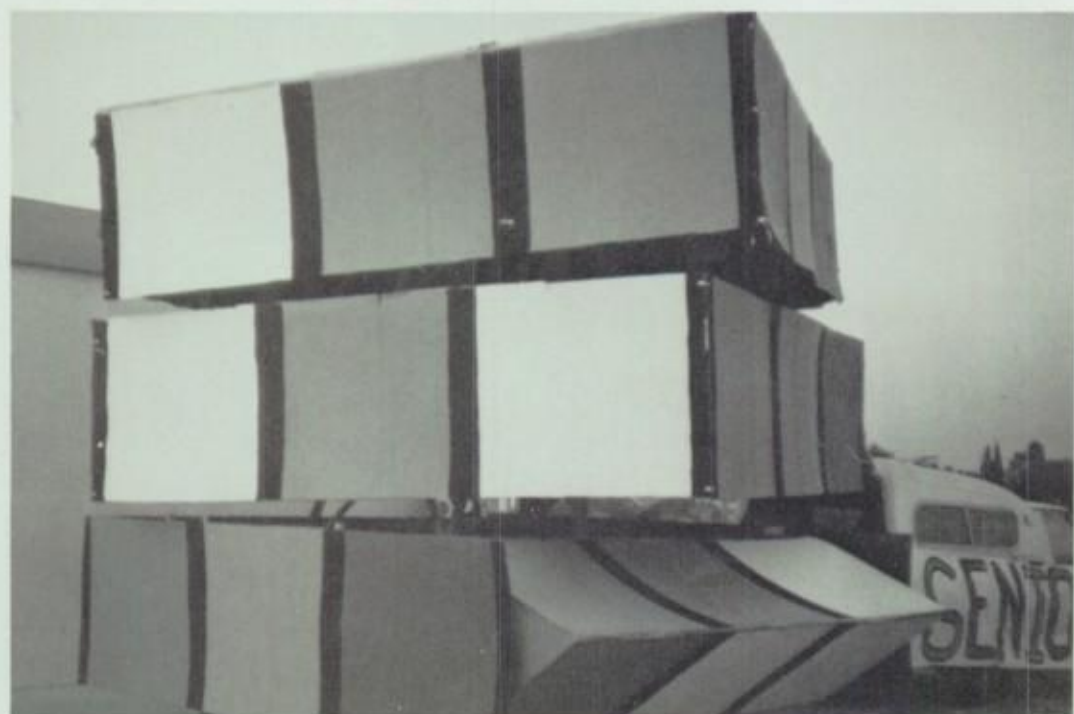

Robin Henson has earned the title of Most Worthy Mariner for her outstanding contributions to Pacifica. During her three years at Pacifica, Robin was an active member of Student League, C.S.F. and both President and Vice President of Spanish club. She served as Assemblies Commissioner in 1981-82, was Captain of the Rifle Squad in her Sophomore and Junior years and is now a member of the Tall Flag Corps. Robin was selected as a Mariner of the Month in her Junior year and both Officer of the Month and Most Spirited for her contributions to A.S.B. in 1981-82.

In addition, Robin has maintained a grade point average of 3.895 and will graduate a Seal Bearer. Robin will attend Calif. State Fullerton majoring in Child Development and will eventually go on to become a Special Education Teacher. Congratulations Robin and good luck in the future.

MIKE MARTIN-"MOST WORTHY MARINER"

Mike Martin has been chosen as Most Worthy Mariner. Mike has maintained a grade point average of 4.00 through his High School years. After he graduates as a C.S.F. Sealbearer, he hopes to attend Stanford University and pursue an engineering degree.

Mike has won two first place awards at the Orange County Science Fair, received the Rensselaer and Bank of America Awards in math and science. He has earned three Varsity letters, and broken three school records in Track and Field.

Mike designed and helped assemble the Senior float for Homecoming. In addition, he has been President of the math club and Treasurer for the Senior class. Congratulations Mike and good luck in the future.

LUNCHTIME LUNACY

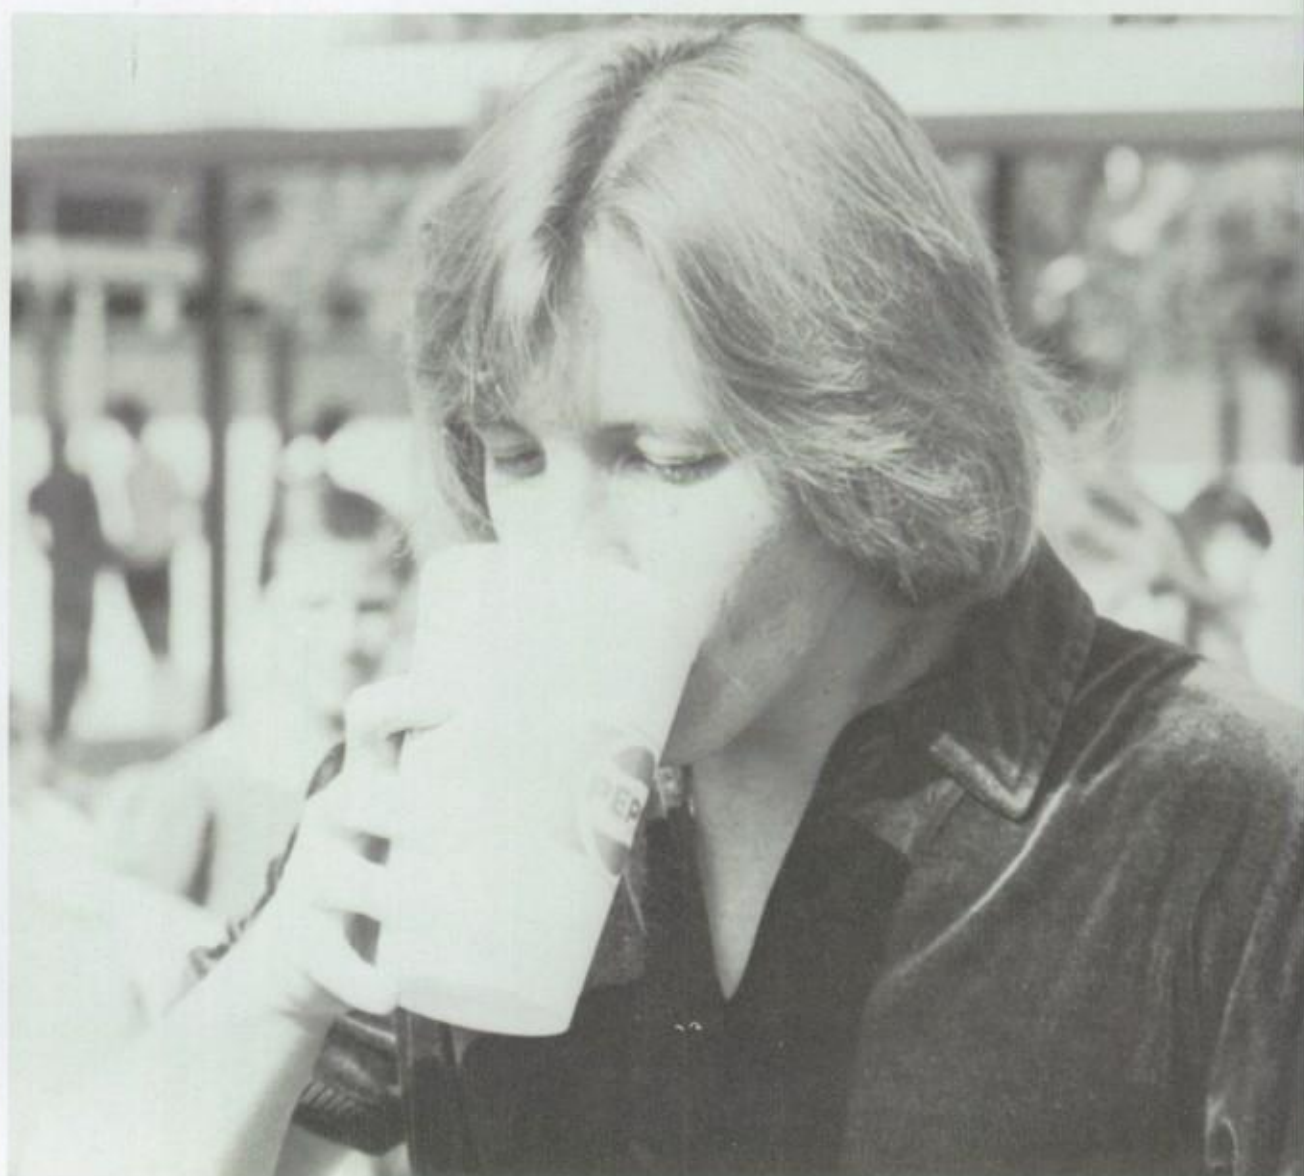

"O.K. where's your pass?"

"We have got to stop meeting like this."

"How did you know I'm visiting from Iowa?"

One of the Pepsi generation.

Walt Wehrli participating in the ice cream feed contest.

A grim punishment for scrubs who trespass on the senior lawn.

"What the ...?"

"You scurvey dog!"

Lunchtime was anything but dull this year. For the students who stayed on campus, there were many exciting activities ranging from ice cream feed contests to tourist, army fatigue, and western dress up days. Other activities include the solving the Rubik cube contest, almost anything goes competition, pie eating contest, racquetball tournament, and the iceblock race. Snow was brought to the campus for a snowman building contest, which ended up a snowball fight. However, the activities were still not enough to keep the seniors from using their off-campus passes. The thought of having *good* hot lunch at one of the local fast food restaurants was too much of a temptation.

“WAIT UNTIL DARK”

1st Row: Dave West, Mike Sentance, Kurt Hopper. 2nd Row: Lezlie Gibbs, Nico Soultanakis, Yvonne Munoz

Pacifica's production of "Wait Until Dark" was an exercise in theatrical terror. The plot revolved around a blind woman named Suzi who unwittingly came into possession of a musical doll that contained several kilos of heroin. An unscrupulous thug called Roat enlisted the help of two small time con men in an attempt to coerce Suzi into handing the doll over to them, to no avail. A jealous nine year old girl had stolen the doll. By the time that the doll was back in Suzi's possession, she was aware of who the three men were, and understood why the doll was so important to them. Bravely Suzi decided to keep the doll out of the criminal's hands. This set the stage for a suspenseful life or death confrontation between Roat and Suzi that took place in almost complete darkness.

"I'm a fighter, Sorokin."

The story centers on a love affair between Sid Sorokin (the new factory superintendent) and Babe Williams (the "grievance Committee" of the Local Pajama Workers Union). Complications set in when Babe and the union fight for a 7 1/2 cent raise and Sid doesn't want to lose his new job by siding with the union.

SADIE HAWKINS

The Sadie Hawkins dance enjoyed a great turnout this year, a successful venture for ASB. Many club sponsored booths decorated the dance floor. Some of the more popular booths were the "Phoney Express" sponsored by Choral Club, the "Hitchin' Post" sponsored by German Club, and the jail which was sponsored by the drill team.

Bridget Brill and Mike Ferrin were the winners of Li'l Abner, Daisy May contest. Runners up were Wendy Flaherty and Kevin Huff, and Maryellen Bodner and Terry Morgan.

Next year promises to have an even greater turnout for would-be ho downers!

FADS AND FASHION

1. The "preppy look" included pleated pants, cableknit sweaters with shirt collars tucked in, topsider shoes (without socks) and short haircuts for men. This look was well groomed and clean cut.
2. Advanced technology put a big sound in a little box. Mini stereo cassette players became popular because of their compact size. They could be conveniently hidden from teachers. Small headphones could be hidden under listener's hair.
3. The country was swept with "pac-man fever." "Pac-man" and other electronic games were like slot machines for youths as well as adults. "Pac-man" junkies took their allowances or paychecks in quarters.
4. The "prairie look," consisting of cowboy boots and calico print dresses were one of the many facets of the "western look." The "western look" was inspired by the movie *Urban Cowboy*.
5. The "punk" movement was a strong influence on the style of the 80's. It stressed individuality and a lack of conformity to societies' idea of fashion.
6. The Rubik Cube presented a challenge to the young and old. This mind-boggling puzzle intrigued many minds. Several books were written on the subject offering solutions to solve the cube. The "jungle look" with khaki pants, camouflage, zebra, and leopard skin prints were the wildest trend.
7. Headbands were worn as an accessory to mini-skirts and knickers.
8. British styles had an influence on the "punk" movement in the states. Good old "501" Levis jeans came back more popular than ever.
9. The mini-skirts of the 60's had faded out in the 70's, but came back again in full force in the 80's. However, mini-skirts were combined with either leg warmers or colored tights. Mini-skirts were very seldom seen with bare legs.
- 10&11. Springtime fashions reflected the "nautical or sailor look." Wide horizontal stripes, contrasting ties, and sailor hats completed this effect.
12. The country was in a lather over soaps. Students were rushing home from school to see "Luke and Laura," the king and queen of the soap operas. "General Hospital" was rated the number one daytime T.V. show in the country.
13. Just about everyone owned a pair of Nike tennis shoes. Sweat suits and athletic apparel became popular when the country became health conscious.
14. Taking a cue from dancers, leg warmers became not only practical but fashionable.

MARINERS SHOW SPIRIT

"Our Black, our White, our Blue"

Drum corps

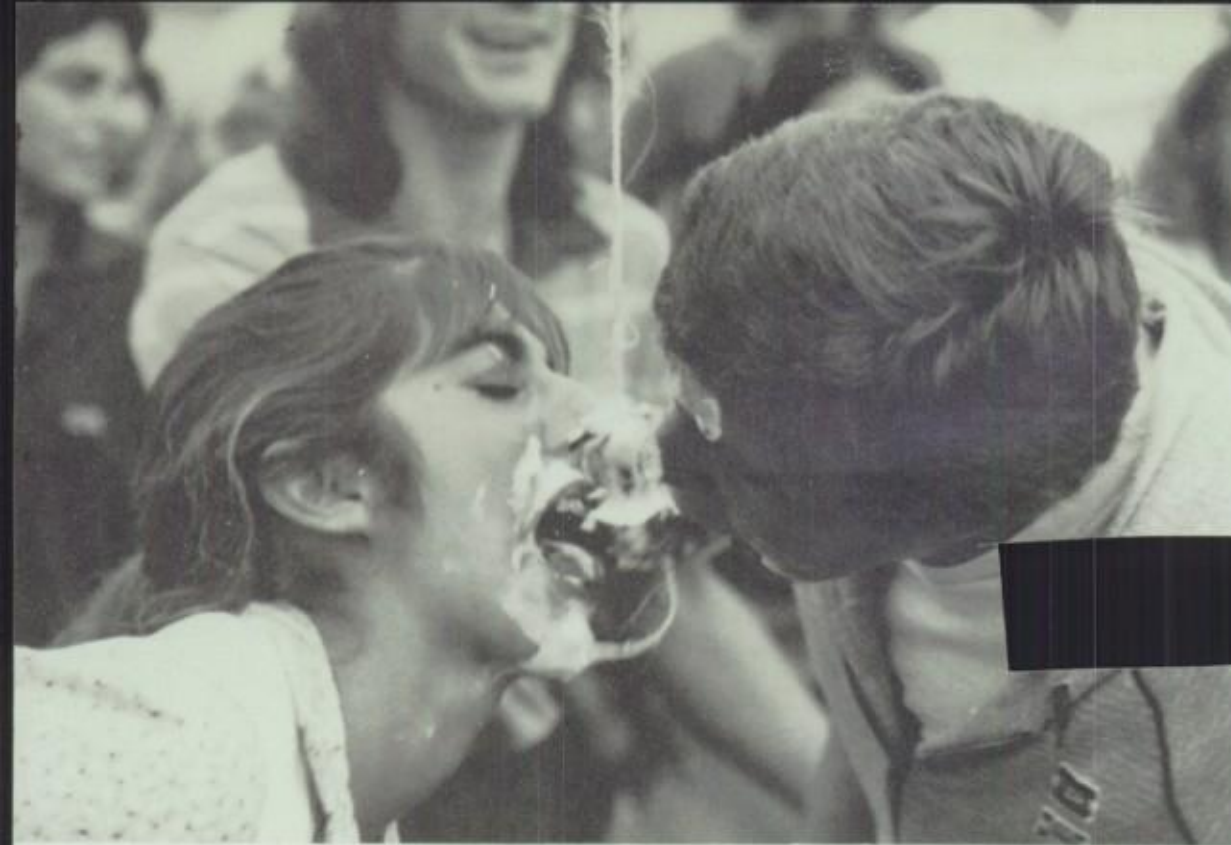

Mr. Hickman

Once again this year the Pep Assemblies produced the spirit and enthusiasm that led to our victories in the many games and events our athletes participated in. Led by the zany antics of ASB officers Todd Tatham and Curt Cummings, among others, the student body's participation in the assemblies was fantastic. Participation reached to such a peak in these rallies that a few special cheering groups were formed, such as "Furry's Flames", and the "Osterode-to-Brummett fan club." Class competitions also provided excitement for the classes, as did the performances by the cheerleaders, drill team and tall flags.

SPIRIT WEEK

This year's spirit week activities, competitions, and events were well supported by the student body. There was great participation in the dress up days and class competitions which created a feverish atmosphere of school spirit here at Pacifica. Spirit week was brought to a peak on Friday morning, as well as Thursday night, of course, with the lawn decoration. Aside from the controversy surrounding the event, it added to the excitement of what spirit week is all about.

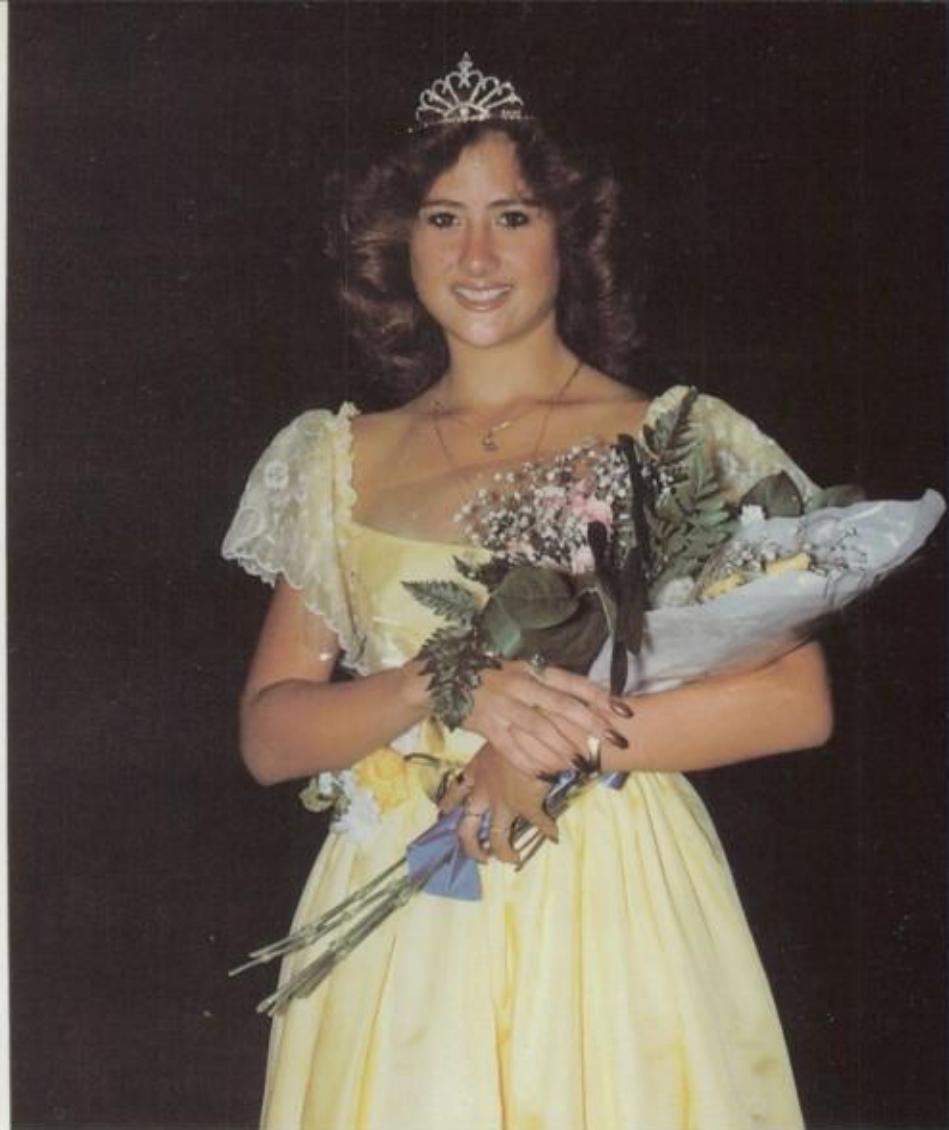

"A Toy Box Full of Dreams . . ." October 16, was quite a night for Pacifica. Fans and alumni filled the Mariner stands to watch Pacifica defeat Kennedy 7-0.

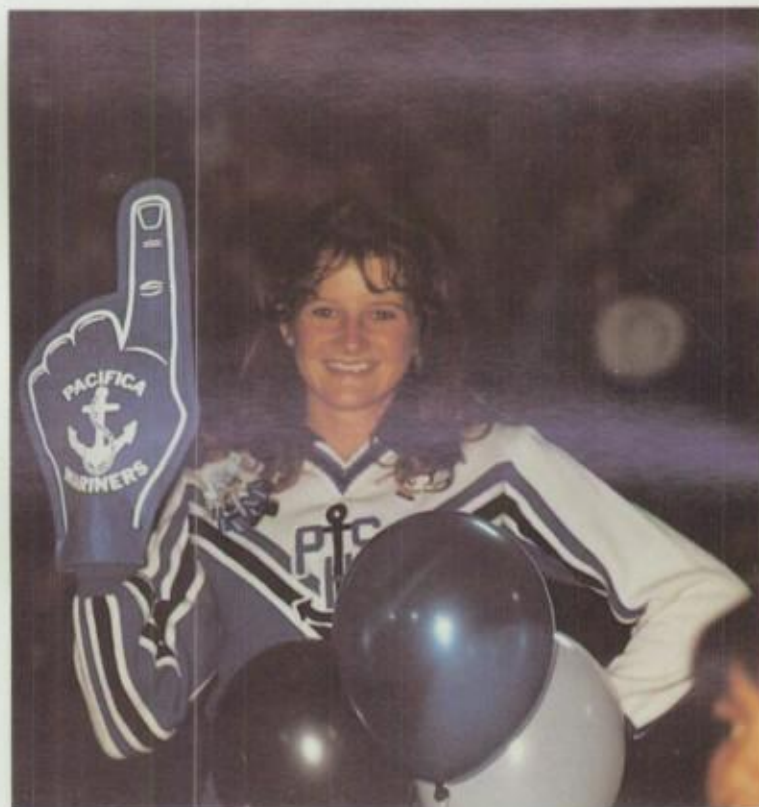

Bridget Brill reigned as Queen for the year 81-82. Senior Princesses were Marie Slagle, and Kandi Owen. Junior Princess was Karen Smith, Sophomore Princess was Deann Shanon, and Freshman Princess was Lisa Sheehan.

The Senior Class float, a Rubik's cube, captured 1st. The cross country float, a running shoe, captured 2nd. The Junior float, a wind-up mouse following a piece of cheese, captured 3rd.

LION AND LAMB

March comes in like a lion,
goes out like a lamb,
their many differences clash,
yes ma'am.

The lamb is resting itself
so still,
The lion is coming to prey on
its kill.

The lamb awakens and looks
so peaceful,
Yet the lion's eyes look
so deceitful,

My! Oh my! Little lamb please
hide!

Amazingly they sit together each
side by side.

The lion so wild,
The lamb so meek.
Who would know they would be
cheek to cheek?

Together they sit small by tall.
All for one, and one for all!

"THE INVISIBLE THIEF"

Time, the hidden, silent foe,
how fast it passes,
few really know.

When we were young,
we did truly believe,
that all wasted years,
were ours to retrieve.

But how wrong we were,
in our misguided belief.
Back then we knew not
of the Invisible Thief.

The Invisible Thief,
with a merciless blow,
cuts away at our years
with his swift stiletto.

We spend all our years
seeking trivial things,
without really feeling
the joy that life brings.

So remember, my friend,
next time you flaunt fate,
that the Invisible Thief
will not for you wait.

Let The World Know

On faded paths we travel
 forgetting on the way
 what makes life worth living
 what gets us through the day.
 We see ourselves as strangers
 not knowing who we are
 everything becomes routine
 and the distance twice as far.
 On and on we travel
 our destiny unknown
 all the dreary hardships
 beginning to be shown
 step by step we drag our feet
 and never stop to rest
 we take what comes, we take it all
 settling for second best.
 Now it's time to stop
 open your eyes and look around
 recognize what you have passed
 stop looking at the ground
 fill your heart with wonder
 let it overflow
 stop taking things for granted
 let the world know.
 Let them know we're ready
 to lift our eyes and see
 the things that we've been missing
 the things that set us free.

THE SECOND COMING

Many people believe
That It's too late
They can't get free of sin
So they preach war and hate

You try to help
Those people of sin
But they turn their backs
And they won't let Him in

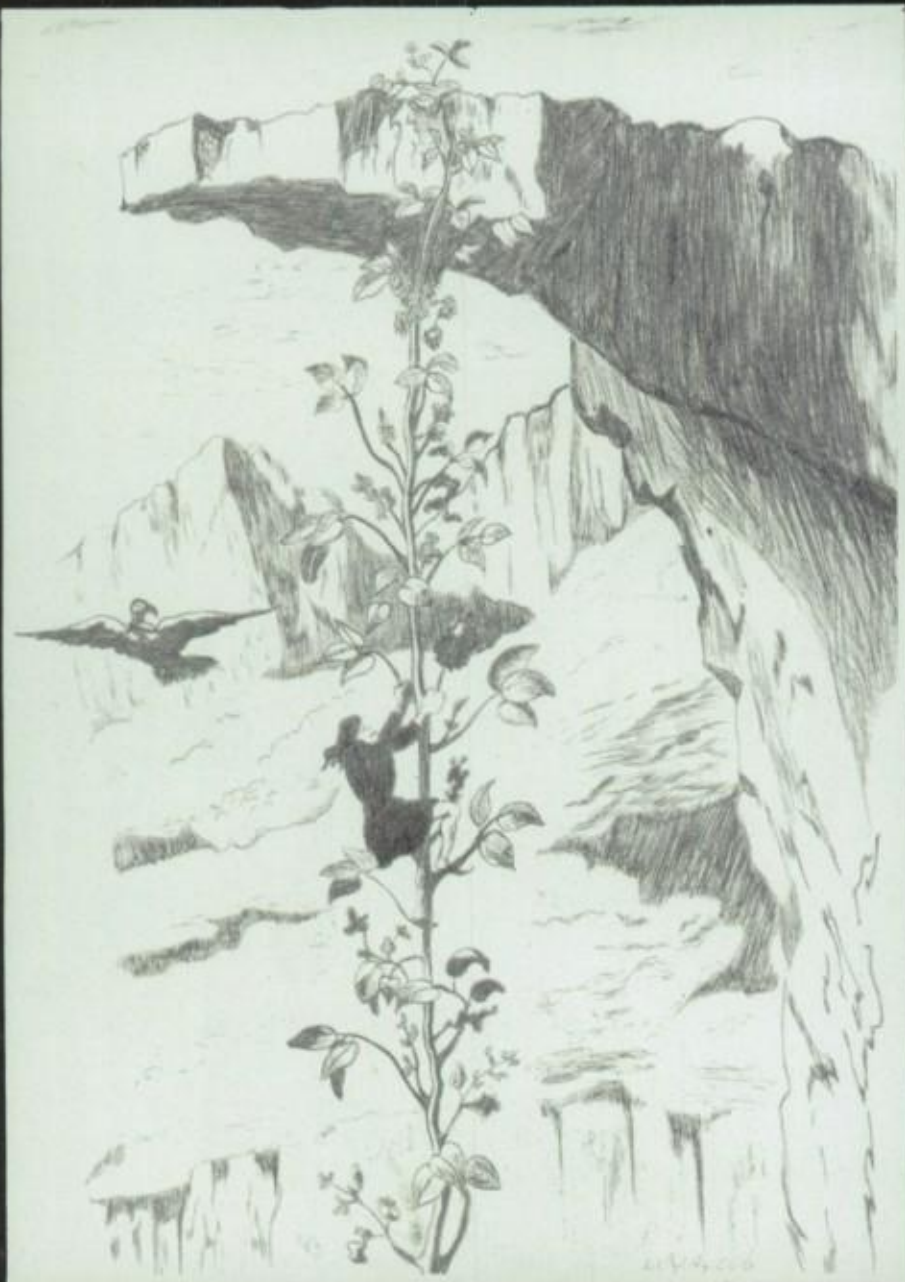

Thousands of people
Are searching to find
A crystal vision
That's in their mind

Many people think
Our minds are lost
They can't believe
He died on the cross

They can't believe
Our day is near
They think their invincible
They've nothing to fear

On the final day
He'll be coming back
The sinners will lose
Because of the love they lack

This year's *Reef* provides an opportunity to reflect on this past school year, to cherish moments shared together, and to profit from new experiences. As you reminisce, your thoughts and ideas will be a reflection of your thinking, personality and point of view. Our world is shaped of ideas, and ideas will continue to alter our world.

MARINERS WIN EMPIRE LEAGUE TITLE 1

The mighty Mariner football team, led by Coach Craven, faced a tough challenge ahead at the outset of the 1981 season. No longer did they compete in the Garden Grove League, which they had dominated for ten years. This year it was the Empire League, along with the likes of county powers Esperanza, Loara, El Dorado, Cypress, and Kennedy. Many predicted the Mariners to finish as low as sixth in a field of eight. But behind the experienced and skilled coaching of Craven, a strong running game, and an imposing "crunch bunch" defense, the Mariner machine proved the experts wrong. The mariner pride shone through as the gridmen rattled off four wins straight, then finished with a 10-2 record. The only setbacks from the sparkling season were at the hands of league co-champion El Dorado, and the Villa Park Spartans in C.I.F.

The Mariners' impressive offensive performances can be attributed to the strong offensive line, led by all-leaguers John VanZanten and Rob Glisson. The line opened the holes for speedy ballcarriers Mike Gandeza and Jeff Ross, and provided super protection for quarterback Jeff Osterode. The defense was spearheaded by lineman Walt Pederson and linebacker Mike Adelman, along with a supporting cast of Pat Ogle, Don Whitsel, and Eric Sibby, among others.

MARINERS SAIL OVER OCEANVIEW, 15-7

Powered by the running of Jeff Ross and Mike Gandeza, the Mariners came from behind to upset Oceanview. Down 7-0, Pacifica drove down to the Seahawk 12 and scored on a Glenn Mayer field goal with 1:31 remaining in the first half. The Mariners went out in front to stay in the third quarter when Jeff Osterode hit on seven consecutive passes. Jeff Ross capped off the drive with a four yard Touchdown run.

GANDEZA, MARINERS RUN BY "FIGHTING" LIONS

Mike Gandeza rushed for 121 yards and one touchdown as the Mariners knocked off Westminster, 15-6. If Gandeza wasn't hurting the Lions outside, Jeff Ross and Pat Ogle took turns buttering up the middle. The Mariner defense was so dominating that Westminster wasn't able to score until the end of the first half, when they scored on a four play, two yard drive. The defense was led by the aggressive play of Mike Adelman, Doug Nahay and Eric Sibby.

MARINERS COAST BY BOLSA, 31-7

Pacifica met an old friend from the "old" league and took care of them rather handedly, beating Bolsa Grande 31-7. Jeff Osterode completed 12 of 15 passes for 180 yards to lead the offense in the win. Alan Darien ran 14 yards for the first score and the rout was on. Osterode then hit Don Whitsel with a 36 yard scoring pass. Glenn Mayer kicked a 28 yard field goal. Andrew Massey then took in a 26 yard pass to set up Mike Gandeza's one yard touchdown. Jeff Ross put the icing on the cake with his four yard TD blast.

MARINERS BEAT LOS AL, 28-0

The Mariners entered their first season in the Empire League in impressive fashion with a convincing win over Los Alamitos. Our gridmen racked up 194 yards in the first half, while the defense held the Griffins to 80, 66 on one play. Jeff Osterode hit Ed Brummett with a 28 yard TD pass to take the early lead. Mike Gandeza went three yards for the next score. Pat Ogle capped it with a one yard blast to make it 21-0

MARINERS SLIP, LOSE, 17-0

El Dorado spoiled Pacifica's hopes for an undefeated season with its sound 17-0 win over the Mariners.

MARINERS SHUT OUT KENNEDY

The Mariners got back on the right track defeating Kennedy 7-0 in this year's homecoming game. Jeff Osterode ended the defensive battle with his four yard touchdown run with 58 seconds left in the game. Don Whitsel had a key interception in the first half to keep the Irish off the board. The Mariners improved their record to 5-1 as well as finally getting due respect within the league.

MARINERS TROUNCE KATELLA, 34-0

Jeff Osterode's two touchdown passes and the Mariner's opportunistic defense were too much for Katella as Pacifica advanced its league record to 3-1 with a 34-0 win over the Knights. Mike Gandeza and Bart Beasley were on the receiving end of Osterode's touchdown passes. Gandeza then broke the game open with this 25 yard sprint for a touchdown in the fourth quarter. Aso scoring was Ed Brummett on a 19 yard pass from Kurt Wise and Steve Reynolds on a five yard run.

MARINERS TOP LOARA, 19-7

The Mariners intercepted five Loara passes en route to a 19-7 win over the Saxons. Pacifica scored on its opening possession, relying on the strength of the offensive line to drive 72 yards before Pat Ogle took it in from seven yards out. Jeff Ross had two three yard touchdown runs. The win put the Mariners in the league's driver's seat with a 4-1 league mark going into the big showdown with Esperanza.

MARINERS SCORE BIG UPSET, 37-14

Down 14-0 to the third ranked team in the county, things seemed a little hopeless. However the mighty Mariners showed how much character they had in coming back to beat Esperanza, 37-14. Ed Brummett led the comeback with an interception and a big 39 yard "say hey" reception to set up Kelly Bengford's tying touchdown. Glenn Mayer gave the Mariners the lead they never relinquished with a 35 yard field goal. Mike Gandeza then scored twice on consecutive runs of 23 and 20 yards.

PACIFICA WINS TITLE!

The Mariners capitalized on a Cypress turnover with a third quarter touchdown to add to their 3-0 lead to defeat the Centurions 10-0, and win the Empire League championship. Mike Gandeza ran eight yards for the touchdown with nine seconds left in the quarter.

CIF ENDS EARLY, 6-0

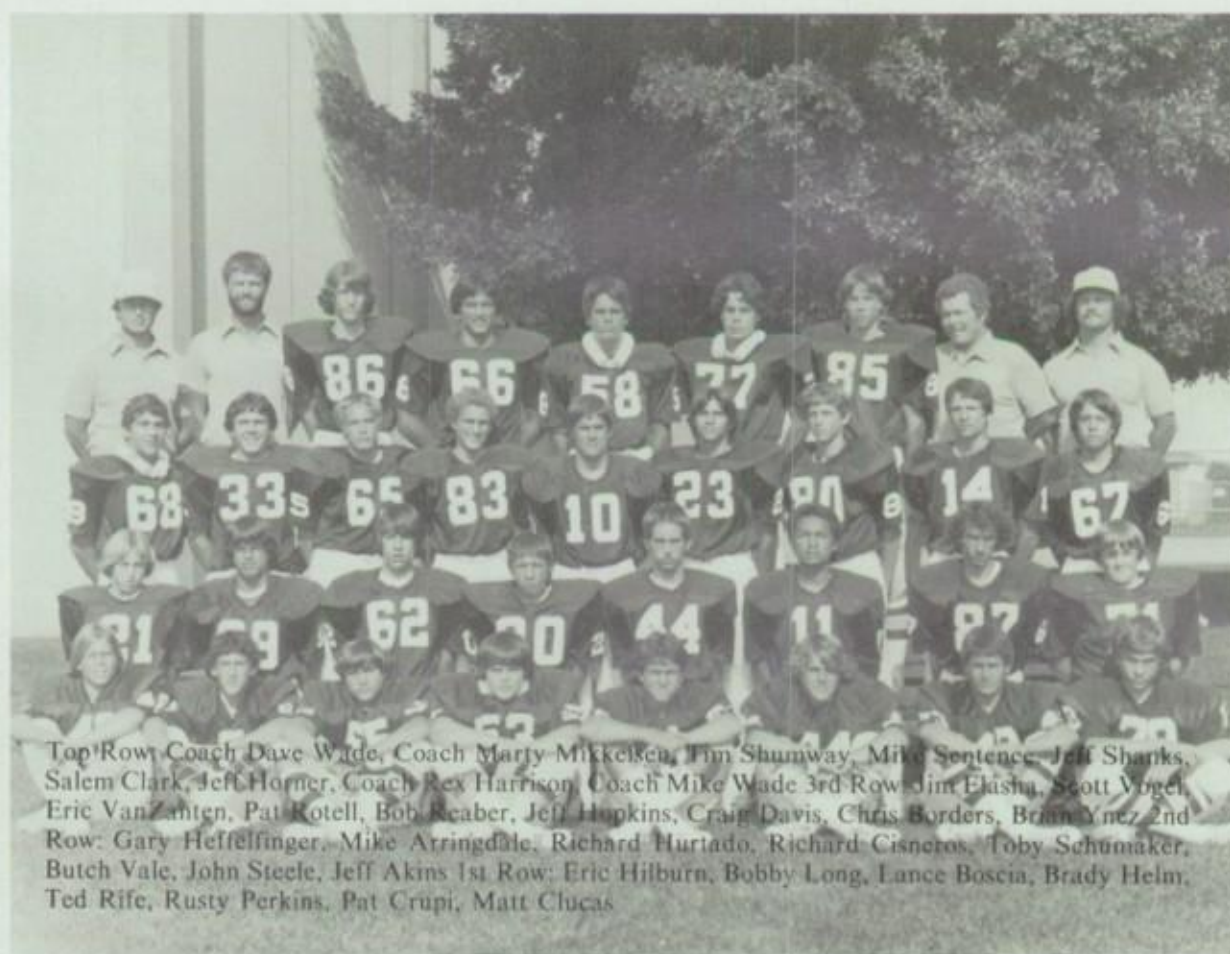

In a tight defensive battle, the defense won the game. A Villa Park linebacker ended the Mariners season when he returned an interception for the only score of the game.

STRONG FUTURE AHEAD FOR CROSS COUNTRY

The Mariner Cross Country team endured through a rough season in 1981. Led by first year coach Bob Cape, most of the runners were either young or inexperienced. Playing in the toughest league in the county, our runners didn't fare too well; yet Cape foresees a strong future ahead. With the likes of top runners Greg King, Luis Garcia, and Greg Kriesel returning to next year's squad, an Empire League championship will be within reach in the seasons ahead.

Newcomers Karl Greene and Bill Long, both recruits off of the track and field team, had the difficult task of converting from high jumps and short distances to the long, enduring distances, which they handled very well. Greene and Long, who were the numbers four and five men, respectively, will also be returning next season. Seniors Wayne Milho and William Milho provided the little experience there was, while team captain Todd Tatham provided leadership and rounded out the squad.

TRACK & FIELD

The Mariner Track Team got off to a fresh start in the Empire League this year. The Varsity Squad performed strongly in the hurdles, led by Senior Mike Martin and sophomore Steve Reynolds. Alan Callaway (senior) went for a new school record in the high jump this season. Other leading spikers were: John VanDam and Alan Darien (sprints); Kelly Bengford and Eric Weisbender (throws); Greg Kriesel and Luis Garcia (distances).

The Frosh/Soph team had a very strong showing led by school record holders Mitch Johnson (throws); Dave Bradley (220/440), Duke Fuller (jumps), and Greg King (distances). Sprinter Neal Dalrymple and pole vaulter Derek Martini were also instrumental to the Mariners. The Frosh-/Soph squad holds the key to future league championships for Pacifica.

Head Coach Terlaak

SOCCKER SHOOTS FOR A 2ND C.I.F. TITLE

Two years ago Pacifica Soccer earned the school it's first C.I.F. Championship under the guidance of Coach George Terlaak. This year the former C.I.F. "Coach of the Year," returned to coach the Mariner Soccer Squad as they gunned for another successful season.

Last years varsity squad of underclassmen who returned again this year, were barely affected by graduation. Leading the Mariners were all league performers Jim Engels, Nico Petesch and Glenn Mayer. With Greg Alee, Dave Micus, Steve Fosmire, Randy LePore and Don Mahoney all playing key roles.

Helping Terlaak, this year, with the coaching duties were former players Jay Sheed, in charge of the J.V.'s and Mike Erickson, coaching Frosh-Soph. The experience of this years squad of returning lettermen and the leadership of Terlaak were sure to give headaches to the rest of the Empire League.

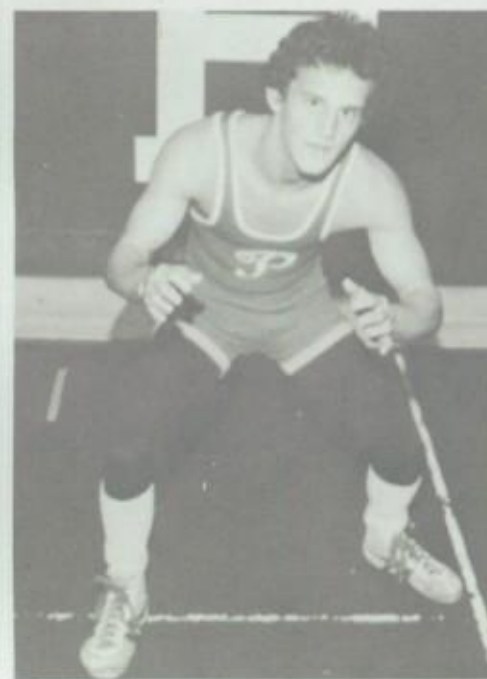

This past season the Mariner wrestling team enjoyed the tough competition of the Empire League. The Mariners finished the season with eight wins and four losses. Outstanding individuals for the Mariners were Brian Solo, Steve Britland, John Ingram, Kurt Schneider, Chris Brito, Mike Lee, Gus Luna, Clint Price, Steve Harmon, Terry Morgan, Brian Taylor, Bill Carter and Jay Webster.

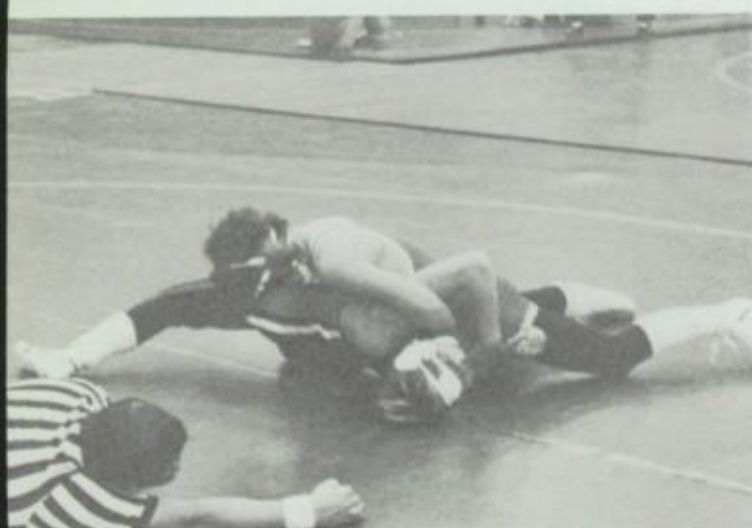

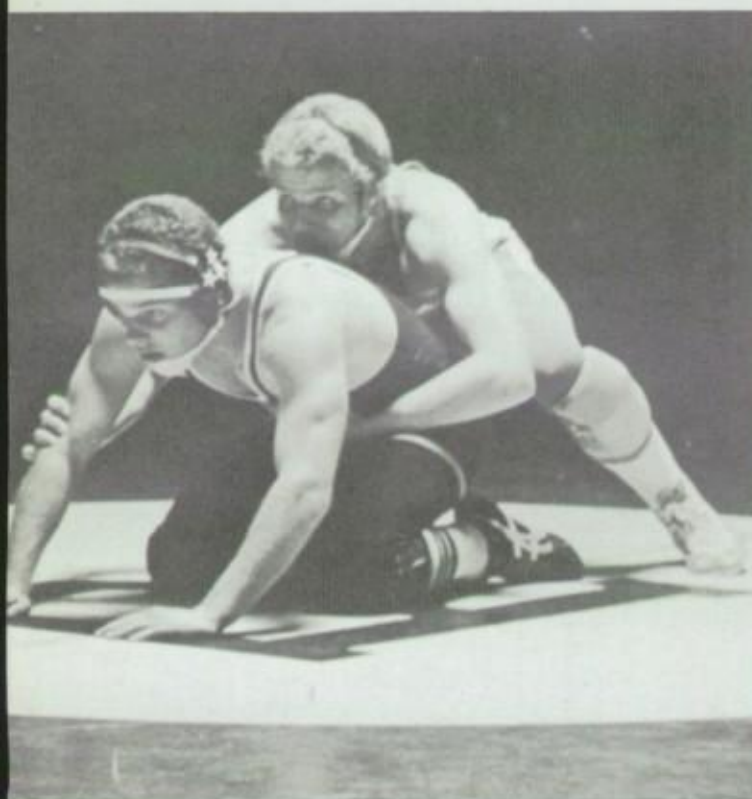

Throughout the season the Mariners placed individuals in some of the hardest tournaments in our area. In the Empire League finals the Mariner grapplers staged an overwhelming performance by placing many individuals. Thus several individuals qualified to CIF. Congratulations Pacifica Wrestling.

The Pacifica basketball program took a turn for the better in the 1981-82 season. All four teams have compiled winning records, including the varsity, who were victorious in eight of their first twelve contests. The varsity squad's lone weakness was height, as their tallest starter barely stood 6'2" tall. But they made up for it in team quickness and unity. The Mariners would employ a tenacious press to force opponent's turnovers, then use a lightning-quick fast break to capitalize on their speed advantage. The Mariner fast break was led by point guard Mike Ferrin, while Jon Nagel and Ed Brummett provided the outside shooting. Walt Blakely and Todd Henson added the muscle on the boards, while Tom Koos, Dave Morse, and Rob Glisson provided the depth that every good team needs coming off the bench.

The JV basketball team, coached by Rhett Heckel, had a great start and has compiled a fine record. Led by starters Bill Long, Brad Schneider, Bruce Swerdfeger, Mark Bradley and Jerry Crowell, they won the Garden Grove tournament, were runners-up in the Santa Ana tournament, and won four of their first seven league games. Their leading scorers were Mark Bradley and Brad Schneider, while Bill Long led in assists.

The Sophomores, while finding it hard to keep up the superb sophomore tradition, had a fine season anyway. Third-year Coach Marty Mikkelsen possessed a team with much depth and few stars. This team balance resulted in five victories in seven league games. The team was led by the three big men, Mitch Johnson, Tony Ledesma, and David Bradley. Joe Sakamoto and Jeff Carlson provided the ballhandling and outside shooting.

The Freshmen, led by Coach Dave Jones, broke out early, winning four of their first seven league games. The team is rich in potential, and should provide for a strong future for Pacifica basketball. Leading scorer Bob Long led the freshmen, who possessed a strong defense to absolutely deny any easy baskets. The Freshmen can look forward to a strong Sophomore team.

Walt Wehrli finishes race

The Boy's Swimming teams were made of a lot of new comers with only a few returners. Coached by Chris Hurst, the teams worked mornings and afternoons extremely hard. Their talents and times improved with each meet. The most outstanding swimmers on the squad were senior, Scott Velardo, and juniors, Danny Dobson & Mike Moran. Their hopes for the season were high but these hopes weren't quite enough to win the Empire title.

The Mariner golf squad enjoyed a fine season in 1982. Led by senior returner Chris Brito and impressive newcomers Craig Schneider and Jerry Crowell, the team rolled off some early victories, including one over league rival Loara. Coach Hal Yoak foresees a strong future ahead, on account of the fact that most of the club consists of underclassmen that will provide for an even stronger team next year.

The 1982 edition of the Pacifica Tennis Team was very young and inexperienced with just two returning lettermen. The Varsity netmen were led by the No. 1 and No. 3 players from last year, Brian Barry and John Schloemann.

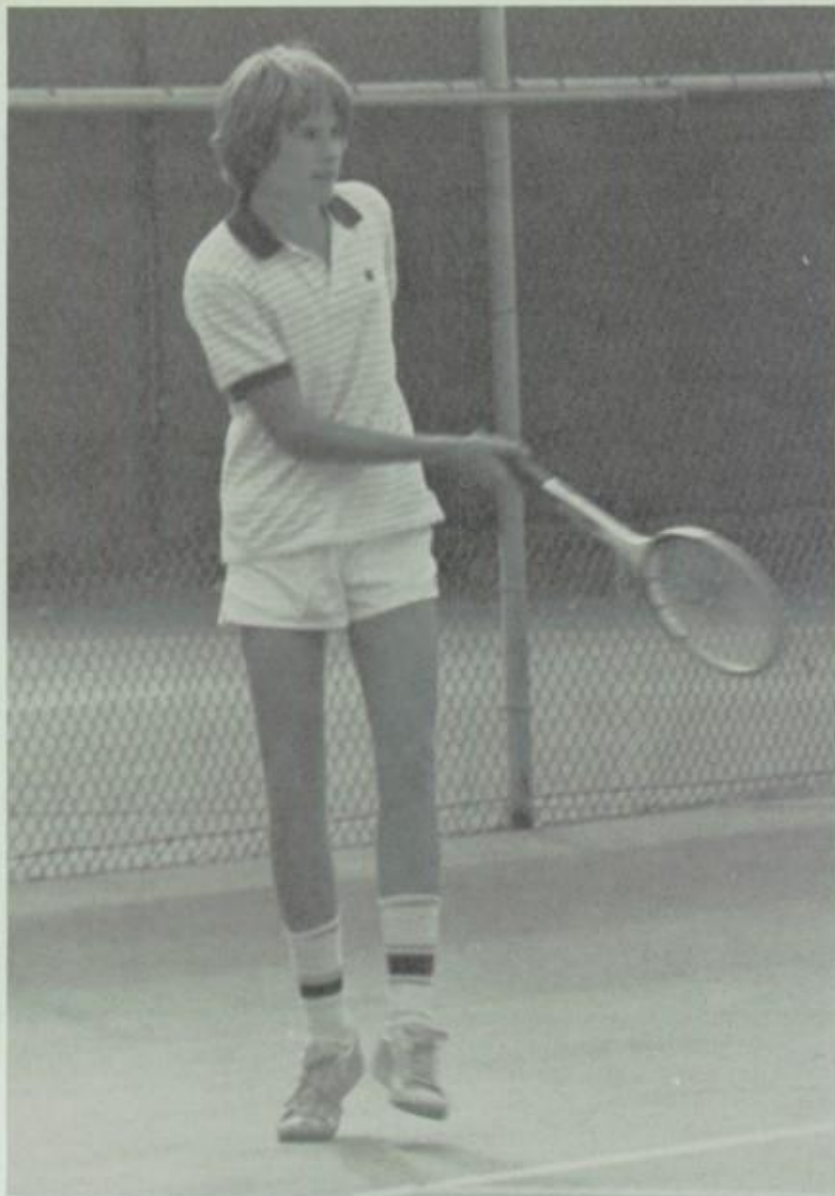

Barry and Schloemann carried the team until first year Varsity players Kevin Chamberlain, Matt Devine, Duc Pham, Jordan Einbinder, Tom Brunskow, and Dave Conway gained experience.

Brian Barry, only a sophomore, has the potential to be the best player Pacifica has ever produced. Already he is one of the outstanding players in the Empire League.

Rob Glisson follows through on a smooth delivery

The 1982 Pacifica diamondmen faced many tough challenges during the spring season. Re-aligned into what other coaches described as "the best baseball league in the county, no question" it was evident that the Mariners would be tested this season. But, because of the masterful coaching of Myron Pines and the fact that the Mariners have nine players with previous varsity experience, they were counted on as sure contenders, while some coaches called them the team to beat.

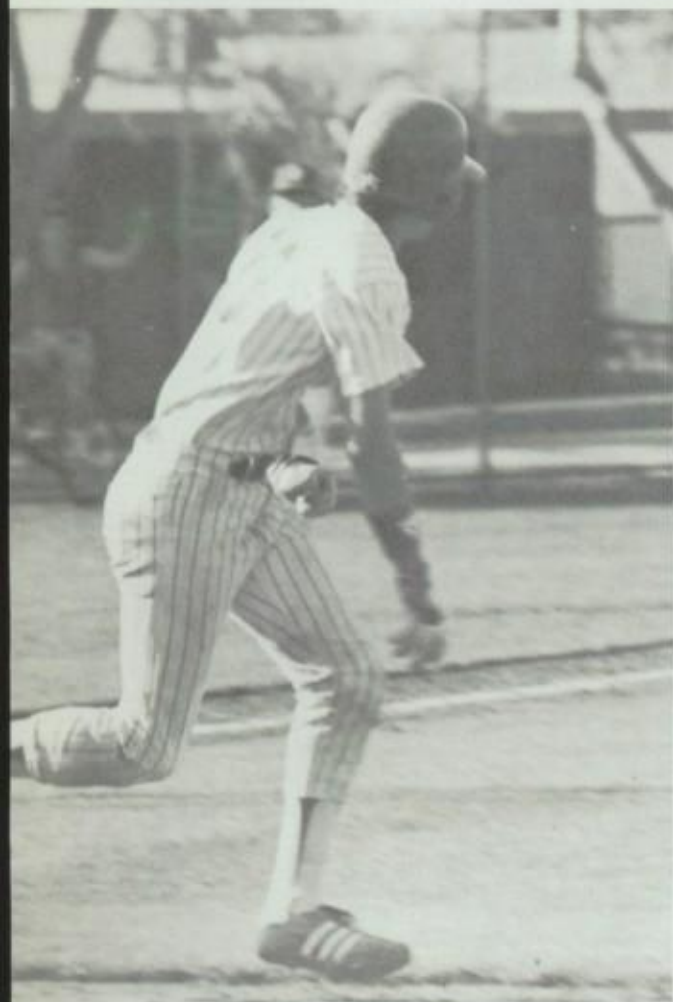

The team didn't apparently possess any evident strengths or weaknesses, yet its depth and balance provided for an overall sound ballclub. If there was a strength though, it would have to be pitching. Rob Glisson and Jeff Osterode, both starters for the 1981 squad, returned to form a strong starting nucleus. The infield was manned by returners Pat Ogle at third, Mike Ferrin at short, Don Whitsel at second, while Glenn Mayer and John Kopaczewski split time at first base. Junior Brad Schneider also saw time at second base to accommodate Whitsel's wish to play the outfield. The outfield was patrolled by newcomers Walt Foley, Mark Bradley, Scott Marskell, and Walt Blakely, while Brian Flatten did the catching with Scott Von Eps backing him up. As of this writing the club had compiled a 5-2 record, which included wins over Servite, Los Al, and previously unbeaten county power Edison. With continued improvement, a league championship should be within reach.

Pacifica girls' tennis team started their season with high hopes and spirit. They won the first match before falling to Los Alamitos.

The next few matches were lost by the mariners, but they soon came back and beat Kennedy 10 to 8. All the girls on the team put all efforts into the season. A few girls really stood out though. These few were the varsity teams own Karen Knobloch, Kim Norton, while on the J.V. team there was Melanie Concepcion.

Although their hard work and dedication did not pay off as well as they had hoped, they had fun and perfected their moves.

The Girl's Varsity Soccer Team got off to a great start. The squad sported an unblemished record, after rattling off 18 consecutive victories without a loss. Pacifica's first girl's soccer team had very strong participation and enthusiasm. By the end of the season the offense scored 108 goals while defenders let only 3 by. The varsity squad had a smashing record, also proving that they deserved the Empire League title. Going into CIF, Pacifica was rated 8th in the state. Winning their first two games, the squad then made it to quarter finals, but unfortunately lost to Upland.

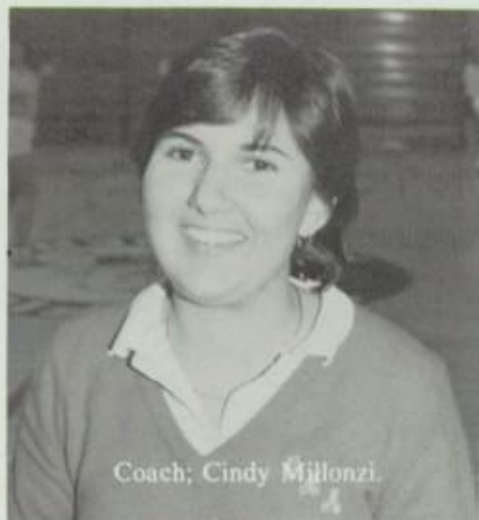

As for the J.V. soccer team, they also did the best job possible in getting those victories for the Mariner's. Winning every game played their talents and determination really stood out. Both soccer teams had a successful first season.

SOPHOMORE CLASS OFFICERS

Our program at Pacifica would be somewhat lacking without the Sophomore Class Officers. With each new school year the Sophomore Class Officers change but the dedication and enthusiasm that radiates from these members never varies. The Sophomore Class Officers pictured above are, from left to right, Top row: Kisten Yuki, Ronda Niswander, Greg Pate, and Anna Rosado, Bottom row: Eva Schultz and Cathy Roberts.

Each and every Sophomore Class Officer wishes each of you the best. We are confident in the ability of the Sophomore Class to take us to the top and make us all proud to be Mariners.

FRESHMAN FLASH

Being a freshmen here at Pacifica is supposed to be the worst thing that ever happened. Well it really isn't all that bad. The older students, such as seniors are supposed to treat us like dirt. It isn't that way, though. The only disadvantages of being a freshmen are that we didn't get to be the head honchos in ninth grade. Instead we get to be the little people, low man on the totem pole, germs, scrubs, to name but a few. But the class of 85 will and can survive.

ACKNOWLEDGMENTS

Counselors- For writing copy, matching faces with names and being willing to answer all our questions.

Pat Howland- For gladly sharing your office space and bringing us cookies and tea while we were working frantically on deadline days.

Lisa Rea- For faithfully working on the index when you weren't even in the staff.

Vicki Mason and Helena Lindholm- For giving us last minute pictures for our student life section.

Mrs. Randall- For providing us with your students' literature for our Art and Literature section.

P.H.S. Faculty- For understanding when we had to miss class for yearbook duties.

Coaches- For writing copy for the sports layouts.

Pacifica Students- For being the 1981-1982 "Reef".

Thanks again,
Lezlie Gibbs
and
Tommye Jurak

Special Thanks and Appreciation go to the followings:

Mary Ann Thompson- For putting up with and joining in our craziness, and being there with the aspirin and Roloids when things weren't going exactly as planned.

The "Reef Staff"- For all your help and extra time you put in to make the yearbook the best ever.

Eric and Star- For going out of your way (to the beach, Various rooftops, and the Long Beach Marina area) to capture the best Possible moments on film. But, most of all for being our 24 hour photography service.

Pat, Mike and Todd- For always coming through with good photos when we were in a bind.

John Thomas- For all your guidance and patience that you had when we were running behind schedule on a deadline.

Don Sullivan and Patty Beam- For waiting patiently (camera in hand) while students were deciding on their next pose.

Richard Beam- For showing up at the right time with hand deliveries.

Robert's Studios- For your over night developing services.

Fromex- For being close by and developing pictures in one hour.

TOMMYE G. JURAK

LEZLIE GIBBS

When looking back at this past year spent with the "Reef" staff, all I can see are cluttered, hazy, blurs of the events that shaped this years "Reef". Time moves so quickly, I can't seem to grasp a full picture of everything in my mind. The memories of hectic deadlines and frantic fits lose their color and intensity with each passing day. The times spent teary eyed and discouraged have little meaning now. The year-book is done. There is no need to remember the bad, other than to recognize the good. The happy memories surround me with a glow of warmth like a halo of emotions still being felt.

A special bond is built between people who have a common cause to do something which is important to each individual. We all shared the joys and pains of being a staff member. I often felt like a mother nagging at her children and complaining when the job wasn't done to the highest possible standard. I didn't do this to be mean; I just wanted each staff member to reach his or her's highest potential. I hope they forgive me if I pushed too hard or not hard enough.

I have probably felt just about every emotion there is in life. Being yearbook editor is like getting a chance to have a free sample of life in the "real world," without actually having to go out there. I feel fortunate I have had the chance to experience all I did. It gave me a better perspective of who I am and where I wanted to go.

I couldn't have made it through this year without a few special people in my life feeding me encouragement to keep me going. I thank my family for understanding and stepping out of the way when I had the "deadline blahs". A smile goes out to all my friends who cheered me up with a grin and a word or two, when I was down. A handshake and a pat on the back goes to Lezlie Gibbs for doing a terrific job as the other co-editor. We complemented each other's talents very well. A very special thanks and a hug goes to Mary Ann Thompson for being my closest "right brained" buddy and for giving me advice when I needed it.

I hope I have achieved my goal to help make the 1981-82 "Reef" a photo album of memories for all the students of Pacifica to enjoy for a long time to come.

God Bless.

Wow! It's over. I can't believe I made it through the year in one piece without losing my sanity completely. Although, for a while I had my doubts. It started out easy enough. Everything seemed to be running along smoothly. But then it came, our first deadline, and I found out what being an editor was all about. It wasn't going to be as easy as I thought. There were a lot of long hours and headaches involved. Tommye, Mrs. Thompson, and I quickly got to know each other very well. Amazingly enough, we made it through the first deadline. And with the help of a great, wild and crazy staff, we made it through the rest. Although, I couldn't have done it without Mike Campion and my mom there to give me love, support, understanding, advice, pep talks, and a shoulder to cry on. Well, it's finished, and all the hard work payed off. Good luck to everybody. God Bless ya.

TERESA
 This is just
 a small note
 from a passing
 love. In ten years this
 you will probly open this
 Book and remember me for
 a short moment in life
 And think how foolish we were
 to fall in love at an early age
 All I can say is I still like
 to do things we will open this book
 ten years together...
